# YOUR OLD ELECTRONICS ARE NOT RUBBISH.

THEY ARE AN ENVIRONMENTAL RESPONSIBILITY.

Together, let's build a cleaner, healthier and more sustainable **Zambia.**

WE ARE COMMITTED TO  
**A CLEANER AND MORE SUSTAINABLE ZAMBIA.**

**SECURE COLLECTION**

Safe and reliable collection of electronic waste from institutions and businesses.

**DATA DESTRUCTION**

Professional data destruction ensuring complete confidentiality and security.

**RESPONSIBLE RECYCLING**

Environmentally sound dismantling and recycling to recover valuable materials.

**ENVIRONMENTAL COMPLIANCE**

Full compliance with Zambia's environmental regulations and best practices.

**COMMUNITY IMPACT**

Creating a cleaner, healthier environment for present and future generations.

[www.cfkz.org](http://www.cfkz.org)

Building a cleaner and more sustainable Zambia through responsible e-waste management.

# WHO WE ARE

**Crescent Future Kids Limited (CFK)** is an emerging Zambian e-waste management and recycling company focused on environmentally sound collection, destruction, dismantling and processing of electronic waste.

We are committed to reducing environmental pollution, conserving natural resources and promoting a circular economy in alignment with national environmental regulations and international best practices.

At CFK, we believe that responsible e-waste management today creates a cleaner, healthier and more sustainable Zambia for tomorrow.

### OUR VISION

To be Zambia's leading e-waste management company, driving innovation, compliance and environmental stewardship.

### OUR MISSION

To provide safe, secure and compliant e-waste collection, destruction, dismantling and recycling services that protect the environment and create value.

### OUR VALUES

- ✓ Integrity
- ✓ Environmental Care
- ✓ Safety
- ✓ Accountability
- ✓ Innovation
- ✓ Excellence

## WHY IT MATTERS

E-waste contains hazardous materials that can harm our health and environment if not managed properly.

Proper recycling conserves natural resources and reduces pollution.

Responsible e-waste management supports communities and future generations.

It creates economic opportunities and drives sustainable development in Zambia.

**WE ARE COMMITTED TO ENVIRONMENTAL RESPONSIBILITY AND A SUSTAINABLE ZAMBIA.**

# MEET THE CFK TEAM

 May 12, 2025

The Managing Director  
 Crescent Future Kids Limited  
 Farm No. 6877, off Los Angeles Road Makeni Area, LUSAKA

Dear Sir,

**RE: NOTICE OF GRANT AWARD FOR THE EXPANSION AND OPERATION OF AN ELECTRONIC WASTE COLLECTION, DISMANTLING, STORAGE AND PROCESSING FACILITY IN LUSAKA.**

Reference is made to the above captioned matter.

Following the approval of your project proposal in January 9, 2025 by the EHPMP National Steering Committee and your subsequent submission of the project's Environmental Project Brief and Environmental and Social Management Plan to Zambia Environmental Management Agency (ZEMA) and the World Bank respectively, which documents have since been cleared by both institutions, we wish to inform you that your application for financial support (Grant) amounting to United States dollars five hundred eighty thousand, nine hundred and twenty-eight (USD 580,928.00) under the EHPMP has been approved.

In this regard, find attached herewith a copy of the contract which you are required to print four (4) sets of the document, sign and initial every page of the contract. Also attached is a copy of the EHPMP grant guidelines for your use.

Please do not hesitate to contact the undersigned should there be any issues herein that you may wish to clarify.

Yours faithfully,  
*[Signature]*  
 Godfrey Mwelingo  
 Director General  
 ZAMBIA ENVIRONMENTAL MANAGEMENT AGENCY

CC: Chairperson - EHPMP National Steering Committee  
 Director Research & Knowledge Management-ZEMA  
 Project Coordinator - EHPMP

**ZEMA EHPMP GRANT AWARD LETTER**  
 Grant Amount: USD 580,928.00  
 Dated: 12th May 2025

These certifications reflect our unwavering commitment to regulatory compliance, corporate governance and responsible environmental stewardship.

# OUR VALUED CLIENTS & PARTNERS

Strong partnerships.  
Shared values.  
A sustainable future for  
**Zambia.**

We are proud to work with a diverse network of reputable organizations, institutions and development partners who share our commitment to sustainability, compliance and positive impact.

## • OUR PARTNERS & CLIENTS •

**TRUST**  
Built on reliability and long-standing relationships.

**QUALITY**  
Committed to high standards and best practices.

**COLLABORATION**  
Working together for shared goals and lasting impact.

**SUSTAINABILITY**  
Supporting a cleaner, healthier and greener Zambia.

**IMPACT**  
Delivering meaningful results for communities and businesses.

# OUR OPERATIONS & PROCESS FLOW

CFK applies a structured and environmentally responsible process for the collection, handling, dismantling, treatment and management of electronic waste in line with environmental compliance standards and international best practices.

Responsible today,  
sustainable tomorrow  
for a cleaner **Zambia**.

### WHY OUR PROCESS MATTERS

- Reduces environmental pollution
- Supports circular economy systems
- Promotes responsible disposal
- Protects institutional data
- Supports sustainable resource recovery
- Encourages environmental stewardship

Our commitment is to protect the environment, conserve resources and create value for **future generations**.

# PRICING & ENGAGEMENT STRUCTURE

Responsible E-Waste Management as per Zambia EPR Statutory Instrument No. 47 of 2018

All services aligned with Zambia's Extended Producer Responsibility (EPR) Statutory Instrument No. 47 of 2018.

## OUR ENGAGEMENT MODELS

### Standard Disposal Service

(EPR-Compliant)

- ✓ Fee-based disposal as mandated by Zambian environmental law
- ✓ Charged per material type, volume & handling requirements
- ✓ Includes collection, transport, processing & certification

### Buy-Back Arrangement

(Case-by-Case)

- ✓ We purchase e-waste with recoverable value (metals, components, devices)
- ✓ Price determined after technical assessment
- ✓ Market-driven & material-dependent valuation

### Revenue Sharing / Equity

(Strategic Partnerships)

- ✓ For large institutions & businesses with recurring e-waste volumes
- ✓ Shared ownership or profit-sharing models available
- ✓ Customized agreements based on volume & strategic value

### Assessment & Consultation

(No Obligation)

- ✓ Free initial audit of e-waste streams & asset categories
- ✓ Compliance advisory on EPR obligations
- ✓ Recommendation of best engagement model

## INDICATIVE PRICING GUIDE\*

(For Disposal Service – Subject to Assessment)

Material Category	Description	Indicative Charge (ZMW)
 IT & Computing Equipment	Computers, laptops, servers, accessories	K50 – K250 per unit
 Telecom & Mobile Devices	Phones, routers, telecom boards	K20 – K150 per unit
 Electronic Components & Circuit Boards	PCBs, processors, electronic scrap	K80 – K300 per kg
 Batteries & Power Units	UPS, lithium-ion, lead-acid batteries	K120 – K400 per kg
 Cables & Electrical Accessories	Cables, chargers, adapters	K30 – K120 per kg
 White & Brown Goods (EOL)	TVs, printers, microwaves, industrial electronics	K100 – K500 per unit
 Mixed / Bulk E-Waste	Unsorted or bulk consignments	Custom (Assessment-based)

\*Final pricing determined after physical assessment, testing & material grading.

## HOW WE DETERMINE VALUE

### Material Composition Analysis

Identify recoverable metals, components & hazardous elements

### Condition & Reusability Assessment

Determine refurbishment, resale or recycling potential

### Market Value Benchmarking

Aligned with global & regional commodity prices

### Environmental & Handling Costs

Transport, depollution, processing & compliance requirements

### Regulatory Compliance

Ensure full alignment with ZEMA & EPR statutory requirements

## WHY OUR MODEL BENEFITS YOU

Full EPR Compliance

Cost Transparency

Environmental Impact Reporting

Secure & Certified Disposal

Flexible Engagement Options

Every engagement is **tailored** to your operational needs and **legal obligations**.

“ We work with you to find the most compliant, cost-effective and **sustainable solution**. ”

# CONTACT US

We welcome partnerships, collaborations and enquiries from institutions, businesses and communities committed to a cleaner, more sustainable Zambia.

Together, let's build a cleaner, healthier and more **sustainable Zambia** for future generations. ”

Building a **cleaner** and more **sustainable** Zambia through responsible e-waste management.

# MESSAGE FROM THE MANAGING DIRECTOR

Dear Partners, Stakeholders and Friends,

At CFK, our mission goes far beyond the collection and processing of e-waste. We are building Zambia's most trusted and responsible e-waste management company — one that protects our environment, creates economic value, and empowers communities.

Every day, we work with institutions, businesses and communities to drive positive change through responsible practices, secure operations and a deep commitment to environmental stewardship.

Our journey is anchored on integrity, innovation and impact. We believe in a circular economy where waste becomes a resource, people are empowered and future generations inherit a cleaner, healthier and more sustainable Zambia.

We remain committed to excellence, collaboration and continuous improvement as we expand our reach, strengthen our systems and create lasting value for our nation.

**Together, we can build a sustainable future.**  
**Together, we can build a better Zambia.**

**Emmanuel Alpha Muwowo**
